

Our next meeting is:

**August 6th, 2013 — Tuesday**  
*at Creative Source (location details below)*

**6:30 PM — Socializing, news and announcements**  
**7:00 PM — Presentations begin**

This month's topic:

## **HOW TO BACKUP YOUR MAC**

Backup strategies to keep your data safe  
to be presented by **Tom Davis**

Repeating yourself is likely to become tiresome to others. Repeating yourself is likely to ... well, you know the rest. Repeating your Mac, however, is the perfect way to safeguard your data. On Tuesday, Tom will discuss many methods for backing up your Mac and perhaps an external drive or two, including built-in strategies such as Time Machine and iCloud, and third-party software such as Carbon Copy Cloner and SuperDuper. Also discussed will be various types of hardware useful in creating backups. Plato wrote, "There is no harm in repeating a good thing," and backing up your Mac is very good indeed.

Also,

## **BACK TO MAC BASICS**

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs. This month:

**BELLYING UP TO THE SIDEBAR, TOOLBAR AND DOCK**  
to be presented by **Rob Ellis**

On Tuesday, Rob will reprise his demonstrations of how to add folders, files and apps to the Dock, Sidebar and Toolbar.
