

Our next meeting is:

**December 2nd, 2014 — Tuesday**  
*at Creative Source (location details below)*

**6:30 PM — Socializing, news and announcements**  
**7:00 PM — Presentations begin**

This month's topic:

**eBAY**  
●  
**HOTRODDED**

**How to use eBay, including plenty of power tips, and how to utilize your Mac and free 3rd-party software to make eBay better and easier to use to be presented by Rob Ellis**

Life is good, but if only you could find the floral, bone china teacup you've been looking for. Or replacement curtains, carpet, wallpaper and furniture to match the bone china teacup. Or a pair of 3D glasses from *Creature from the Black Lagoon*. Or the limited edition Barmaid Barbie® doll your daughter has been wanting. Or LeBron James' Hummer, up for sale now that its ashtray is full. Or a beautiful, rare 1937 novel for that certain someone. Or a skirt to match the curtains, carpet, wallpaper, furniture and bone china teacup. The place to find all this loot, and more, is eBay.

But eBay is not problem-free, and some of its best features are all but hidden. Seeking out what you want on eBay, and successfully bidding on it, can be faster, more pleasant and far more powerful than most people experience. Please join us at the December meeting to learn how to use eBay, advanced tips and techniques, unique software to hotrod eBay, and how to improve your chances of winning auctions, bone china teacups and all.

Also,

**BACK TO MAC BASICS**

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs. This month:

**WHAT'S UP, DOCK?**

(We hope you heard that in its appropriate, floppy-eared voice)

All about the Dock and how to make the most of its obvious and not so obvious features, including setting your own preferences for how and where it appears.  
to be presented by **Tom Davis**

**About the weather:**

In these winter months, if the weather is particularly bad or road conditions are unsafe on the day of one of our monthly meetings, please try to check your email before you leave for the meeting. If a meeting is ever cancelled or postponed due to weather, we will send an emergency email to let you know.
