

**Our next meeting is a special event at a special time!**

**December 4th, 2018 — Tuesday**  
**at Creative Source (location details below)**

**6:45 PM — Cookies and chat / socializing**  
**7:30 PM — Presentation begins**

**This month:**

## **CHRISTMAS COOKIES AND SQUIRRELS**

**A Christmas party with many cookies, and a handful of innovative apps created by our guest presenter, software developer Squirrels. Please see details for both, below.**

### **CHRISTMAS COOKIE PARTY**

There are many ways to celebrate the holidays, and on Tuesday, we will be celebrating with cookies, many of them; and we do mean real cookies, not web browser cookies. The variety will include Christmas cookies and non-Christmas cookies. You do not need to bring a thing except perhaps a sweet tooth. (If, however, you have a favorite cookie you are anxious to share, we will never turn away such a joyous gesture.) As for beverages, there will be soda and bottled water available. Our party will go from 6:45 to 7:30 PM, then on to the presentation, but of course you are welcome to continue to enjoy cookies during the presentation.

**And,**

### **APPS BY SQUIRRELS**

to be presented by **Sean Courtney**

Suppose you could wirelessly display whatever is on your iPhone or iPad screen, or both at the same time, onto a larger screen such as your Mac, with no cables or adapters, and even record a video of it if you wish. Suppose further that you could beam a movie or your favorite video game to your TV, in 5.1 surround sound. Suppose further that you could wirelessly present your Mac's screen to a Chromecast-equipped display. Lo and behold, such magic may turn out to be more than mere Christmas wishes. We are delighted to host a guest speaker: Mr. Sean Courtney of the software company, Squirrels. On Tuesday, Sean will unveil several impressive Mac apps offered by Squirrels, including Reflector, DropStream, AirParrot, ClassHub, and Ditto, and to prove truth can sometimes be more amazing than fiction, he will demonstrate how these apps can pull off the magic described above. Please join us for Christmas cookies and software goodies, as the combination of the two is likely to inspire some holiday cheer.

*About Sean:* Sean Courtney is an Account Executive at Squirrels. A graduate of the University of Akron, he has lived in northeast Ohio most of his life.

#### **About the weather:**

In these winter months, if the weather is particularly bad or road conditions are unsafe on the day of one of our monthly meetings, please try to check your email before you leave for the meeting. If a meeting is ever cancelled or postponed due to weather, we will send an emergency email to let you know.

---

#### **OUR MEETING LOCATION:**

*Creative Source*  
4623 Everhard Rd NW  
Canton, OH 44718  
330-497-5556
