This month's topic:

## KEYNOTE & POPCORN NIGHT

**We're doing it again! Come watch Apple's unveiling of new Macs, iPads, iPhones, software and more, while munching popcorn! to be hosted by Rob Ellis**

Lions and Tigers and Mavericks! Oh my! At their recent keynote address, Apple announced some impressive critters: new MacBook Pros, a new Mac Pro, two new iPhones, two new iPads, new versions of the iLife and iWork suites, and a brand-new version of OS X known as Mavericks. On Tuesday, we will be serving up the keynote address video, along with real theater popcorn, soft drinks and water. There will also be napkins available, which may serve double-duty to accommodate any drooling over the new gear. And we will follow up the keynote with a round-table discussion. Please come join us for this fun event, and experience a keynote address as it should be experienced: with friends and popcorn and beverages! As always, the three reasons for enjoying the keynote at our meeting rather than elsewhere:

1. It is always more fun to watch and discuss an Apple keynote with fellow MacAddicts.
2. You get to see it on a Really Big Screen.
3. Popcorn...
